CONFERENCES AT COACHMAN'S INN

Coachman's Inn is a privately owned motor lodge with function facilities as well as accommodation. We offer friendly, informal and personal service – flexibility is the keynote.

Coachman's Inn is the first motel on the left as you arrive in Invercargill on SH1 from Dunedin. We are conveniently located within the Ascot shopping centre close to a service station, pharmacy and small supermarket. We have excellent on-site parking for both large and small vehicles.

The Conference Room is spacious, with seating for 40 theatre-style and 15 to 20 U-shape. The room opens into an enclosed private courtyard ideal for session breaks.

Whiteboard and flipchart are available for hire – rates are attached.

Adjoining the Conference Room is a restaurant and bar – ideal for pre or post conference drinks and meals.

Catering options are flexible. We have a full commercial kitchen and restaurant and offer everything from tea and coffee to sit-down dinners. A pricing guide for morning and afternoon teas and finger food lunches is attached. We would be happy to customise menus and discuss other options with you

Your enquiry is welcome and we encourage you to visit us, inspect the venue and discuss your needs directly with us. We will tailor our service to your situation. Quotes are given without obligation.
